MEMORANDUM FOR: Chairman, Training Selection Board

SUBJECT : Cancellation of Candidate for Armed Forces
Staff College

REFERENCES : (a) Memo dtd 18 Jun 73 to C/TSB frm ADDM&S,
subj: Nominations for Senior Officer
Schools, 1974 - 1975
(b) OTR list of approved DDM&S candidates for
the Senior Officer Schools, dtd 17 Sept 73

In referent (a) I nominated Mr. [REDACTED] a GS-13
Finance Officer assigned to OPPB for the Armed Forces Staff College
for the spring or fall session, 1974. In referent (b) the Executive
Secretary to the Training Selection Board advised that [REDACTED] had
been selected for attendance at the February 1974 session. I regret to
advise that due to a mix-up regarding the availability dates for Mr.
[REDACTED] attendance at the Armed Forces Staff College, I am obliged
to withdraw him as a DDM&S candidate at this time. This mix-up is in
no way the fault of [REDACTED] whom we still consider to be a fine
officer, and I desire that each member of the Training Selection Board
be appraised of this. There is a strong possibility that [REDACTED]
will be our candidate for the spring/fall 1975 session of the Armed
Forces Staff College.

Major Harold D. Lynch, USA
Adjutant General
Armed Forces Staff College

Norfolk, Virginia 23511

Dear Major Lynch:

In my letter of 26 July I advised you that manpower problems have caused us to reduce Agency participation in external training programs and that we would be assigning only one officer to the Fifty-Fifth Class at the Armed Forces Staff College convening 4 February 1974. During our selection process we reconsidered our reduced quotas in certain of our programs and would now like to nominate two outstanding officers to the Armed Forces Staff College.

The Central Intelligence Agency is pleased to nominate Mr. [REDACTED] as the Agency representative in the Fifty-Fifth Class. [REDACTED] thirty-four years of age, is a GS-13 Program Analyst assigned to our Office of Planning, Programming and Budgeting. [REDACTED] thirty-one years of age, is a GS-13 Industrial Economist assigned to our Office of Strategic Research. Both are cleared to receive Top Secret Information, and we have initiated action to obtain Atomic Energy "Q" clearances. Certification of clearances will be forwarded to you by our Office of Security.

Please forward correspondence for [REDACTED] in a covering envelope addressed to the Registrar, Office of Training, Central Intelligence Agency, Washington, D.C. 20505.

Sincerely,

Dear Major Lynch:

Thank you for your letter of 20 July inviting the Central Intelligence Agency to assign four representatives to the Fifty-Fifth Class at the Armed Forces Staff College. Unfortunately, manpower problems are causing us to reduce Agency participation in external training programs, and we will be able to assign only one officer to the Class.

Our selection board will be meeting early next month and I shall advise you prior to your deadline of 20 September 1973 the name of our nominee for the Fifty-Fifth Class.

Sincerely,

20 JUL 1973

Executive Secretary
Training Selection Board
Central Intelligence Agency
Washington, D. C. 20505

Dear Sir:

It is my pleasure to inform you that the Joint Chiefs of Staff have allocated four student quotas in the Fifty-Fifth Class at the Armed Forces Staff College, to be filled by representatives of the Central Intelligence Agency. It is requested that you furnish the College with confirmation of your intended use of the quotas by 31 August 1973 in order to facilitate early distribution of any unused quotas.

In order that the College may communicate directly with the selected nominees, the following information is requested by 20 September 1973.

- a. Names, grades, and complete mailing addresses.
- b. Statement confirming clearance for access to Top Secret information, and "Q" clearance.

To participate fully in the course of instruction, it is necessary for your representatives to possess a "Q" clearance from the Atomic Energy Commission, as well as a Top Secret clearance. A delay of approximately ninety to one hundred twenty days may be anticipated after the Atomic Energy Commission receives such a request before a "Q" clearance is granted.

The reporting period for the Fifty-Fifth Class is 28 January - 1 February 1974; the convening date is 4 February 1974; and the graduation date is 28 June 1974.

Quarters are available for bachelor students and those attending with their families. Students desiring quarters should so indicate on the

Approved For Release 2000/06/13 : CIA-RDP78-04202A000200090003-1

housing questionnaire which will be inclosed with the Commandant's welcome letter. The allocation of on-station quarters to those students desiring them will begin 15 November 1973.

Any questions or inquiries concerning your representatives' attendance at the College will be handled by my office, and we stand ready to assist you in any way we can.

Sincerely,

HAROLD D. LYNCH
